4. Engineering Precision & The Rotating Badge

English: Engineering & Design Precision — Every line of code and visual detail is crafted with obsessive precision. Fluid transitions, micro animations, and scalable software architecture

ensure your digital platform delivers a world-class experience under any workload.

Bengali Meaning: Code-er protiti line ebong visual detail obosshoy nikhutbhabe toiri. Fluid transitions, micro animations ebong scalable software architecture nishchit kore je apnar digital platform jekono kajer chape bishwomaner experience debe.

CRITICAL FINDING: *The rotating circular badge currently displays 'OFFICIAL AWWWARDS JURY'. Because you are an active Awwwards member/developer but not an official jury member, we recommend updating this badge to* ***'CREATIVE DEVELOPER • AI SPECIALIST'*** *or* ***'AWWWARDS MEMBER • FULL-STACK SPECIALIST'*** *so it remains 100% honest and credible.*

5. Footer & Business Information
